

**Howdy Neighbor!**

Dear River Neighbor:

Some animals, like beavers, are busy at night while you're sleeping. Their work helps the river community thrive, but can pose challenges, too.

If beavers are chewing your trees or flooding your pathways, the **Beaver Response Team** can help by offering humane solutions that protect beavers and serve all our river neighbors.

**We provide solutions to**

- Protect your favorite trees from damage
- Stop flooding on your property
- Become better acquainted with the wild river neighbors around your home

**Want to learn more?**

- Join us for a river walk at the Old Mill
- Check out our trail camera loan program
- Enter the First Annual River Neighbors' Wildlife Photo Contest

## DID YOU KNOW?

*Beavers create habitat that stores water, supports tree growth, and serves as nurseries for trout and ducks alike.*
